Re: Official Posting Places

Councilors:

At the first Regular Session meeting of each year, City Council designates the official places for posting notices of City meetings, minutes and agendas. I am requesting the bulletin board located inside the north – Virginia Avenue – entrance of City Hall, the bulletin board located inside the east- Wisconsin Street – entrance of City Hall, and the City website be designated as the official posting places for the City of Gunnison.

As you are aware, we do e-post all meeting notices, agendas, and adopted minutes, ordinances and resolutions on the City's website. We also post the Council's e-packet on-line on the website prior to each Council meeting.

Action requested of Council: A motion, second and vote to designate the bulletin boards located inside the north and east entrances of City Hall, and the City of Gunnison website as the official posting places for the City of Gunnison.

Thank you,
Gail
